Thematic Group 91 Workplan 

1. The work of the Thematic Group, led by Mr. Prakash Chandra Rai, is focused on the development of a work plan. The group is working closely with relevant stakeholders to ensure that the work plan is comprehensive and effective. The group is also engaging with other Thematic Groups to ensure coordination and alignment across different areas of work.

2. The work plan is being developed in close consultation with the stakeholders, and the group is regularly updating the plan to reflect emerging priorities and new developments. The group is also working to ensure that the work plan is aligned with the overall strategic goals of the organization.

3. The group is also working to ensure that the work plan is inclusive and that the voices of all stakeholders are heard. The group is committed to ensuring that the work plan is robust and effective in addressing the challenges faced by the organization.
